CIRCULAR 5 OF 2022

Dear Parents

We trust that you are well by God's grace. It is as always, my utmost pleasure to share this circular to keep you updated in the affairs of our school. As we go through this wintry season, may you be warmed abundantly by the presence of God in your lives.

DISCIPLINE

"One of the objects of discipline is the training of the child for self-government. He should be taught self-reliance and self-control. ...help the child to see that parents and teachers are representatives of God, and that, as they act in harmony with Him, their laws in the home and the school are also His." Education p. 288. Discipline is one of our pillars in educating our learners to be the best citizens of this world and the world to come. Your support in ensuring that learners show a disciplined lifestyle both at school and home is greatly valued and noticed. We encourage you to continue to do your part to instill in your children's mind discipline of time when coming to school, completing tasks given at school, putting on full school uniform and in how they address the teachers. May God's wisdom be your guide in this regard.

EXTRA CURRICULAR ACTIVITIES

We would like to thank Mr Sita for offering his tour buses to be used during the Botanical Gardens outing. May God's blessings attend his business.

NEW DEVELOPMENTS (RED CLOUD SPUR)

We would to extend our appreciation to one of our parents Ms Hamdulay who has been arranging Spur vouchers for the school. As a result of her efforts Spur restaurant is going to offer the school time slots for eating out at their restaurant and engaging our learners as well as teachers for shadow waitering. Whenever we do this activity, the school will get a certain portion of the proceeds on that day. When we have such slots, the school will remind the parents in advance so that we can either go and eat at Spur or invite a friend to go and eat at Spur. We therefore solicit your support in this initiative.

The address is as follows:
